6. Issue at Adams St. and Hwy 93.
 - a. JC:Relates to the concern. Remedy not given. School Administration needs to look at the issue & pursue fact finding.
 - b. Barb noted that due to parked cars near or in MDT right of way, MDT might need to be involved.
 - c. Paul Jenkins (school superintendent), pointed out that the superintendent must be contacted to investigate changing bus routes. He stated he has had no complaints from bus drivers or parents. He will work with county & others to see what can be done.

Persons with a disability may request a reasonable accommodation by contacting Elaine Nelson at the Flathead County Commissioner's Office at 758-5501 or TTY (800) 335-7592, or call Montana Relay at 711. Requests should be made as early as possible to allow time to arrange the accommodation.

- d. Ron Clark: Bus route changes happened in August. Ron has talked to many people, but so far no response.
 - e. David pointed out that any parking on the striped pedestrian walkway is illegal.
 - f. JC, David & Paul agreed that further investigation is needed. Should get input and suggestions from bus drivers. MDT contact is Dave Rauser.
7. No sub-committees currently active; David asked this item be removed from agendas since it is unlikely Council will form sub-committees.
8. Procedural:
- a. By-Laws: Need to get this on Commissioners agenda. David asked BJ – no response. David asked Barb to follow-up.
 - b. Blacktail Trail: At last communication with P&Z, Alex indicate more coordination was needed with Roads & Bridges. The design engineer replied Feb. 20 that he had received comments from Road & Bridge Dept and from MDT and would meet with Alex the following week. No date yet for a local meeting for the community.
 - c. Guest Speakers:
 - i. JC: April – invasive species.
 - ii. Mke: Firewise & safety; speakers can't make March but could come in April.
 - iii. JC & Mike agreed to switch – invasive species in March and Fire in April.
 - iv. Barb has invited Chuck Curry for May.
 - v. Need to advertise to get people to attend – use Chamber and Debbie Spaulding's VOICE. Possibly try for news coverage.
9. Lakeside Plan: Council needs to collect data and send to Barb.
10. Next meeting: Add to agenda: issue of signage in Lakeside, especially flashing ones. Barb pointed out that Hwy 93 is in the scenic corridor, which specifies no "off-premise" advertising – we seem to have a lot of that in Lakeside. JC to bring a list of questionable signs to next meeting to discuss..
